### About our Speakers

#### Rev. Thomas J. Euteneuer, President - Human Life International

Rev. Thomas J. Euteneuer (EYE-ten-our) became president of Human Life International in December 2000. Human Life International is the world's largest pro-life organization with affiliate offices and associates in eighty countries around the world. In nine years of service to this unique mission Fr. Euteneuer has traveled more than one million miles as a pro-life missionary and has visited fifty-seven countries. Rev. Euteneuer was born in Detroit, Michigan in 1962, the fourth of seven children born to Joseph and Mariann Euteneuer. He has a Bachelor's degree in Philosophy from the University of Notre Dame in Indiana as well as a Licentiate degree in Biblical Theology from the Pontifical Gregorian University in Rome, Italy. He is fluent in Spanish. While in college, Rev. Euteneuer participated in the Marine Corps Officer Candidate Program, attended basic training at Quantico, Virginia and graduated at the top of his Company. After discerning that the Lord was calling him to the priesthood rather than the military, he entered the seminary. After his ordination in 1988, Fr. Euteneuer served as a parish priest in five parishes of the Diocese of Palm Beach, Florida, secretary to the diocesan bishop, director of vocations, and spiritual moderator for the diocesan Respect Life office. His pro-life activity began in the early years of his priesthood with prayer vigils, pilgrimages, pickets at abortion mills, sidewalk counseling and the establishment of a crisis pregnancy center across the street from an abortion mill in 1999.

Since taking office at HLI, Rev. Euteneuer has spoken directly to tens of thousands of people all over the world spreading the Gospel of Life and has appeared frequently on EWTN and other media. He has been featured in *Human Events* and *Envoy* magazine and has appeared on local and national television many times. His now-famous Fox News interview with Sean Hannity on the subject of contraception has merited him both praise and criticism for his defense of Church teaching (see video below). He was awarded the John Cardinal O'Connor Award for Life from Legatus in 2005 and the "Soldier of the Church Militant" Award from the Brent.

#### Dr. John Bruchalski

**He used to perform abortions. Then he returned to his Catholic faith. Now, Dr. John Bruchalski's mission is to help spread the message of Divine Mercy through his medical practice and his powerful conversion story.**

Dr. John Bruchalski grew up in northern New Jersey. After attending a Salesian High School and a Jesuit college he went to the University of South Alabama College of Medicine in Mobile, AL, receiving his MD degree in 1987. He completed his residency in obstetrics and gynecology at Eastern Virginia Medical Center and the Jones Institute for Reproductive Medicine in Norfolk, Virginia in 1991. He received board certification in 1993.

He founded the Tepeyac Family Center in Fairfax, VA in 1994, with the mission of establishing an obstetrical and gynecological facility that combines the best of modern medicine with the healing presence of Jesus Christ—providing affordable healthcare to women, in particular, those with crisis pregnancies. In 2000, he founded Divine Mercy Care, a non-profit organization performing spiritual and corporal works of mercy in Northern Virginia, Maryland, and the District of Columbia and is currently the Chairman of its Board of Directors. In 2005, Tepeyac Family Center became a part of Divine Mercy Care and currently operates as the first Catholic health care facility in the Diocese of Arlington. Dr. Bruchalski's affiliations with the Couple to Couple League and the Family of the Americas make him one of the foremost medical experts on Natural Family Planning (NFP) in the country. He has spoken on various topics concerning the renaissance of Catholic medicine here in the United States, in Canada, and in Europe. He has been a part of numerous videos concerning pro-life issues, natural family planning items and those covering the story of Our Lady of Guadalupe. He and Tepeyac Family Center were recently featured in a front-page article in *The Washington Post*.

Dr. Bruchalski has been married to his wife, Carolyn, since 1991 and is the father of two boys: John Paul, born in 1992 and Joseph, in 1996. They live in Oak Hill, Virginia.
